

Jamie N Commons, Rumble And Sway

One look twice over, three, four oh the way she looks at me
Held up, bent down, she sings me silent melodies
Hair whipped, tight lipped, I've been calling out for you
Her scent puts me, can't stand the way she looks at me

Don't you tell me no truth, I want only your lies
Don't you tell me no truth, just only your lies
Don't you tell me no truth, I want only your lies
I'm whaling so give me only your lies
Give me only your lies
Give me only your lies

Do the rumble and sway
Do the rumble and sway
Do the rumble and sway

One look, twice over, oh, I'm on my knees for her
Held up, bent down, she sings me perfect harmonies
Cheap face, hot breaks, I'll take just a part of you
Those eyes, sweet lies, I've been drowning out for you

Don't you tempt me, don't you start with one of your lies
I'm leaving running home, just a word to the wise
Don't you tell me no truth, I want only your lies
I'm whaling so give me only your lies
Give me only your lies
Give me only your lies
Give me only your lies

So don't you tell me no truth, I want only your lies
Don't you tell me no truth, I want only your lies
Don't you tell me no truth, I want only your lies

Give me only your lies
Give me only your lies
Give me only your lies

Don't you tell me no truth, I want only your lies
I'm leaving running home, just a word to the wise
Don't you tell me no truth, I want only your lies

Give me only your lies
Give me only your lies
Give me only your lies
