

# Jamiroquai, Alright

I need your love,  
I need your love...  
You, give me light  
So tonight, take me there  
I, feel your sun  
Start to glow and I know it  
Let me show you that  
I want your love  
I need your touch  
For the rest, of our time together,  
Baby, come fly with me, eternally  
You and me,  
We were meant to be

Yeah hey  
Alright (right now)  
We'll spend the night together  
Wake up and live forever  
Yeah hey  
Alright (right now)  
We'll spend the night together  
Wake up and live forever

I see your eyes,  
Hold the key, to my paradise  
Summer in your smile  
Well it makes me feel, so real  
You tell me things  
And my heart sings to the world,  
From islands in the sky  
Take my hand  
As one we will stand  
You know it's never never  
To say hello to forever

Yeah hey  
Alright (right now)  
We'll spend the night together  
Wake up and live forever

I need your touch,  
I want your love so much  
I need your touch &  
I want your love, so much  
Oh now, tonight,  
We'll spend the night together  
Wake up and live forever
