

# Jamiroquai, Do It Like We Used To Do

I hear that music play same as yesterday  
I hear that music play makes me wanna do it again  
Do you remember when the D.J. used to send  
A melting honey bomb  
Send it to my ears express  
So drop it steadily  
Push me astrally  
Cos when it touches me  
You know my body starts to get possessed  
So watch me come on through  
Cos then my music lives in you  
I feel obliged to do  
Do it, just do it like we used to do  
Whenever I wanna do it  
Whenever I gotta do it  
You know we got to do it  
Do it like we used to do  
Whenever I wanna do it  
Whenever I gotta do it  
You know we got to do it  
Do it like we used to do  
Come on now do it yeah  
I wanna do it Got to do it  
I wanna do it Got to do it  
I wanna do it  
Whenever I wanna do it  
Whenever I gotta do it  
You know we got to do it  
Do it like we used to do  
Whenever I wanna do it  
Whenever I gotta do it  
You know we got to do it  
Do it like we used to do  
I hear that music play same as yesterday  
I hear that music play makes me wanna do it again  
Do you remember when The D.J. used to send  
A melting honey bomb  
Send it to my ears express oh yes  
So drop it steadily  
Push me astrally  
Cos when it touches me  
My body starts to get possessed  
Now watch me come on through  
Cos then my music lives in you  
You feel obliged to do  
Do it like we used to do  
Whenever I wanna do it  
Whenever I gotta do it  
You know we got to do it  
Do it like we used to do  
Whenever I wanna do it  
Whenever I gotta do it  
You know we got to do it  
Do it like we used to do  
Whenever I wanna do it (Do it baby)  
Whenever I gotta do it (Do it now baby)
