

# Jamiroquai, Drifting Along

Nowhere to go  
But I'll still be cruising  
I live this life long  
Long long time

You know I'm drifting along (drifting along)  
Can't see where I'm going  
I will get to my destination

I'm feeling the pressure (pressure)  
All around me crumble (man now)  
But I won't be put down this time

I'm shifting along  
Though I sing a sweet song (sweet song)  
We'll murder in the streets where I be livin'

I'm closing my eyes (closing my eyes)  
Don't want to see killin'  
Gentle giants will roam forever

I'm cruising the street  
Wondering who I will meet  
Oh love has got to reign in our world

La la la la  
La la la la la  
I don't know where I am going to  
(I don't know where I am going to)

La la la la  
La la la la la  
I don't know where I am going to  
Drifting along

Drifting along  
Closing up my ears to the sound  
I don't want to hear, crying
