

# Jamiroquai, Falling

Sometimes in the morning  
When I wake up  
I shed a tear  
I'm hoping  
Come the night time  
You open the door and reappear

I can promise to share  
All my dreams I will dare  
You set my heart racing when you get next to me  
Still I don't think you care  
Should I wait for your love  
Or I'm waiting in vain  
Somebody help me cause I'm falling  
Head over heels in love again

You..you...  
You're the one for your love I think that I would do anything  
You  
You're the one for your love I think that I would do anything

I miss you  
I wanna kiss you  
The sweet scent of roses is in your hair  
See sometimes  
When I get lonely  
I still feel you beside me  
When you're not there

I can promise to share  
All my dreams I will dare  
You set my heart racing when you get next to me  
Still I don't think you care  
Should I wait for your love  
Or I'm waiting in vain  
Somebody help me cause I'm falling  
Head over heels in love again

You..youuu...  
You're the one for your love I think that I would do anything  
Hey you you you you you  
You're the one for your love I think that I would do anything

You're the one  
You're the one for your love I think that I would do anything  
You know yeah you.. you ..you're the one for your love  
I think that I...I think that I would do anything

I can promise to share  
All my dreams I will dare  
You set my heart racing when you get next to me  
Still I don't think you care  
Should I wait for your love  
Or I'm waiting in vain  
Somebody help me cause I'm falling  
Head over heels in love again

Help me.. ohh can't you help me  
I think I'm falling in love
