Jamiroquai, Feels So Good

Feels good I'm stranded on a spaceship hideaway And something makes me think I'm here to stay I'm so happy where I am

Feels good
I've journeyed to the other atmospheres
And every breath I take just makes it clear
I'm holding heaven in my hands
It's automatic baby and it feels good
And it feels so good
Feels good
And it feels so good

Feels good These extra-sensory sensations Are causing me some complications Electrostatic information

Feels good I'm playing with a pleasure trafficker Arriving soon intergalactica I'm holding heaven in my hands It's automatic baby and it feels good Feels good Feels good Feels good

Feels good
And it feels so good
Feels good
And it feels so good
Feels good
And it feels so good
Feels good
And it feels so good
Feels good
And it feels so good

Feels good
Feels so good
Feels so good
Feels good
Feels good
Feels so good
Feels good
I'm stranded on a spaceship hideaway

Feels good
And it feels so good

Feels good And it feels so good Feels good And it feels so good Feels good And it feels so good Feels good And it feels so good
