

Jamiroquai, So Good To Feel Real

(Feels so good, feels so good!)
I woke up, today,
To the sound of,
Singing birds.
And my ears
Were playing,
With these simple inspiration words:
You know it feels, so good,
Just to feel, yeah-yeah,
Oh it feels, so good,
Just to feel, yeah-yeah.
La-la, la la la la la, oh-oh,
La-la-la-la, la la la la la, oh-oh,
La-la-la-la-la, laa la-la-la-la, oh oh oh,
(Feels so good, feels so good!
Feels so good, oh, feels so good!)
Now when I heard, the word,
something's going down
And I feel
Like a bird
In the sky! In the sky!...
(fades out at this point)
