Jamiroquai, Spend A Lifetime

Touch me in the night time All I want from you is love And I know you can give such sweet moments To last me so long Cos, you make me feel so strong All I want to do is spend a lifetime with you, Baby Make it happen All I want to do is spend a lifetime with you, Baby Oh girl All I want to do is spend a lifetime with you, Baby Cos you make me that good And nothing else matters Until you're in my arms, girl And all those broken promises we made to each other We have so much more to give I know that we can do this That's how I want to live Eternally, together All I want to do is spend a lifetime with you, Baby All I want to do is spend a lifetime with you, Baby Will you make it happen for us now Please this time You know I need your touch honey I want your touch honey Like the morning sun has just begun Girl, like the rain on my window pane Girl, if I could make you stay More than one day Eternally together Oh girl I need your touch Oh girl I want your loving Sweet, you know that we can make it happen For you and for me to be And eternally together we will be
