Jamiroquai, Spend A Lifetime

Touch me in the night time All I want from you is love

And I know you can give such sweet moments

To last me so long

Cos, you make me feel so strong

All I want to do is spend a lifetime with you, Baby

Make it happen

All I want to do is spend a lifetime with you, Baby

Oh girl

All I want to do is spend a lifetime with you, Baby

Cos you make me that good

And nothing else matters

Until you're in my arms, girl

And all those broken promises we made to each other

We have so much more to give

I know that we can do this

That's how I want to live

Eternally, together

All I want to do is spend a lifetime with you, Baby

All I want to do is spend a lifetime with you, Baby

Will you make it happen for us now

Please this time

You know I need your touch honey

I want your touch honey

Like the morning sun has just begun

Girl, like the rain on my window pane

Girl, if I could make you stay

More than one day

Eternally together

Oh girl I need your touch

Oh girl I want your loving

Sweet, you know that we can make it happen

For you and for me to be

And eternally together we will be
