

# Jamiroquai, Use The Force

I must believe  
I can do anything  
I can heal anyone  
I must believe  
I am the wind (yeah)  
I am the sea  
I am the wind  
I am the sea  
I am the sun  
I can be anyone  
Oh this world is mine (this world is mine)  
For all of time (for all of time)  
I can turn any stone  
Call any place my home  
I can do anything  
I know I'm gonna get myself together (yeah)  
Use the force  
I know I'm gonna work it out  
Use the force  
I know I'm gonna get myself ahead (yeah)  
Use the force  
Use the force  
I can go eagle high  
Circling in the sky  
Learn to live my life (no)  
I don't need to strife  
I must believe (I must believe. I must believe)  
I'm a rocketman (I must believe. I must believe)  
I'm a superstar (I must believe. I must believe)  
I can be anyone  
I can step beyond  
All of my boundaries (boundaries)  
It won't be hard for me  
To feel what there must be  
I know I'm gonna get myself together (yeah)  
Use the force  
I know I'm gonna work it out  
Use the force  
I know I'm gonna get myself ahead (yeah)  
Use the force  
Use the force  
I can do it  
I can do anything  
Anything Anything
