

Jane's Addiction, My Cat's Name Is Maceo

My cat's name is Maceo,
He's a little man in a cat's body
He yawns just like I do,
He's convinced I won't eat him

I think he thinks I'm his dad,
Becasue I saved him from the pound
Well we went down, down to the pound
And that's where we saw Maceo

Cat catcher said to me, "Pick one out,"
Maceo said "Let me out"
He sleeps right where I do
And we wrestle in the morning!

He come to you if you don't bother him
He just likes to do his own thing
My cat's name is Maceo,
He's a little man in a cat's body
