Janelle Monae, Turntables

The table about to turn The table about to turn The table about to turn, yeah

I;ve been flipping through my timeline Trying to keep my mind right My city cry I igot to cool down But i am under pressure Cookin' with my Crisco Look at where my fist go I renegate when i am in a rage I got to cool down But i am under pressure

I keep my hands dirty My mind clean Got a nw agenda With a new dream I am kicking out the old regime Liberaytion, elevation, education

America, you a lie But the whole world 'bout to testify I said, the whole world 'bout to testify And the tables 'bout to tables 'bout to

turn, turn, turn and no stop until it turn, turn, turn no stoppin' it turn, turn, turn we can't wait for it turn, turn, turn yeah, tables 'bout to turn, turn, turn
