

# Janet Jackson, Anytime, Anyplace

In the thundering rain  
you stare into my eyes  
I can feel your hand moving up my thighs  
skirt around my waist  
wall against my face  
I can feel your lips  
I dont wanna stop just because  
people walkin'by watchin'us  
I dont give a damn what they think  
I want you now  
I dont wanna stop just because  
you feel so good inside of my love  
I'm not gonna stop no no no  
I want you all I wanna say is  
Anytime,anyplace I don't care who's around  
anytime,and any place I don't care who's around  
Dancing on the floor  
feelin' the slow groove  
my mind is starting to burn  
with forbidden thoughts  
strangers all around  
with the lights down low  
I was thinking maybe we could...well you know  
chorus
