

Janet Jackson, You Want This

You know you want me
You want this

My girls
Been goin 'round talkin
They say that you been
Watchin me boy
I know
By the way you're talkin
That you're really tryin
To get to me boy

Not anyone I'll just let in my heart
You have to be hungry for me
Girls may have been easy
But you have to please me
What makes me think that I can say this to you
I know how bad you want this

[CHORUS:]
If you want my future then
You better work it boy
No it won't come easy no
I know you want this
By the time I'm through with you
You'll be beggin me for more

You want this

I know
Your whole story
Because you're fine and
And you know it
You think
That you can have me
Just listen closely
No it ain't so easy
Every word
You've said I have heard before

Girls may have been easy
But you have to please me
One thing I've been told
Nothin else compares
To this lovin body

[CHORUS]

So you want my lovin no
I know you want this

[CHORUS]

You want this
Don't you
You want this
Say it

You want this
You know it's just true
You want this
You know it
You want this
You know it's just true

You want this
You know it

You want this?
You want this?
Can you handle this?
Well come here then

Early in the mornin
(you want this)
Late in the evenin
(you want this)
Just about around midnight
(you want this)
Cause you know I'll do you right baby
(you want this)

Ooh what's my name boy?
(you want this)
Cuz you gotta say my name boy
(you want this)
Just a little bit louder now
(you want this)
Just a little bit softer now
(you want this)
I am...
Nice and easy
