

# Janet, The Pleasure Principle

You might think I'm crazy but I'm serious  
It's better you know now  
What I thought was happiness  
Was only part-time bliss  
You can take a bow

It was all just one big night out on the town  
Riding in your limousine  
We turned right, then I said wrong  
Which brings us to a stop  
As the light is changing  
Oh my meter's running so I got to go, now

Chorus:  
It's the pleasure principle, oh-oh oh-oh oh-oh  
It's the principle of pleasure, oh-oh  
It's the pleasure principle, oh-oh oh-oh oh-oh

It's true you want to build your life on guarantees  
Hey take a ride in a big yellow taxi  
I'm not here to feed your insecurities  
I wanted you to love me  
This has become an all too familiar scene  
It's not the first time I've paid the fare  
Where'd you get the idea of material possession?  
Thank you for the ride nowhere  
And oh my meter's running, so I really have to go.

Repeat Chorus

I know what you mean to me  
Baby this is nowhere  
You know what became between you and me  
Human differential  
It's the principle of pleasure oh-oh oh oh oh  
It's the pleasure principle, principle  
oh ohhhh ohhhh oh

You might say that I'm no good  
I wouldn't trust your looks, baby if I could  
I got too many things I wanna do before I'm through  
It's the pleasure principle, it's the pleasure principle,  
It's the pleasure principle  
Baby you can hold me down, baby you can hold me down,  
After all the love that we've been through  
After all you put me through, love me, love me  
It's the pleasure principle, yeah yeah yeah yeah
