

Janis Joplin, Trust Me

Trust in me, baby, give me time, gimme time, um gimme time.
I heard somebody say, oh, The older the grape,
Sweeter the wine, sweeter the wine.

Oh, my love is like a seed, baby, just needs time to grow,
Its growing stronger day by day, yeah,
Thats the price youve got to pay.

Trust in me, baby, give me time, gimme time, please, a little more time.
Takes a road runner just a little bit uh-longer, dear,
Oh, to make up my mind, I gotta make up my mind.
Oh, my love is like a seed, baby, just needs time to grow,
Its growing stronger day by day,
Thats the price that we both got to pay.

I gotta know, know that Im ready, oh ready to settle down,
Cause I think too much of your loving, baby,
Yeah, I dont wanna mess your life around!

So if you love me like you tell me that youre doing, dear,
You shouldnt mind paying the price, any price, any price.
Love is supposed to be that special kind of thing,
Make anybody want to sacrifice.
Oh, my love is like a seed, baby, just needs time to grow,
Its growing stronger day by day,
Thats the price we both gotta pay.

Trust in me baby, trust in me baby,
Trust in my love, in my heart.
Keep the faith, baby, keep the faith in me, dear, in my love.
Dont turn your face away from me, dear, oh you leave a lost girl,
Oh, dont turn your love away, no no no no no no no,
You gotta believe in me, baby, yeah, trust me dear, oh...
