

Janis Joplin, Try

Try, try, try just a little bit harder
So I can love, love, love him, I tell myself
Well, IFFFF92m gonna try yeah, just a little bit harder
So I wonFFFF92t lose, lose, lose him to nobody else.
Hey! Well, I donFFFF92t care how long itFFFF92s gonna take you now,
But if itFFFF92s a dream I donFFFF92t want No I donFFFF92t really want it
If itFFFF92s a dream I donFFFF92t want nobody to wake me.
Yeah, IFFFF92m gonna try yeah, just a little bit harder
So I can give, give, give, give him every bit of my soul.
Yeah, IFFFF92m gonna try yeah, just a little bit harder
So I can show, show, show him love with no control.
Hey! IFFFF92ve waited so long for someone so fine
I ainFFFF92t gonna lose my chance, no I donFFFF92t wanna lose it,
AinFFFF92t gonna lose my chance to make you mine, all mine.
All right, get it! Yeah!
Try yeah, try yeah, hey, hey, hey, try yeah,
Oh try whoa! Whoa, whoa, whoa, whoa,
Oh anybody, oh anybody, oh anybody,
Try oh yeah (just a little bit harder)
Whoa I gotta try some more,
I said try yeah, aw I said try,
I said try try try try try try,
Oh try oh yeah, try oh yeah!
Hey hey, I gotta talk to my man now,
You know I, I gotta feel for my man now,
I said I, I gotta work for my man now,
You know I, I gotta hurt for my man now,
I think-a every day for my man now,
You know it, every way for my man now.
I say try, try yeah, oh try yeah,
Hey hey hey, try yeah-hey, oh, try...
