Jars Of Clay, The Eleventh Hour

Trace the shape of my heart till it becomes more familiar to your eyes I've been lost without you cold without your love Its taken days and nights to make me realize

(Chorus) Rescue me from hanging on this line I won't give up on giving you a chance to blow my mind Let the eleventh hour quickly pass me by I'll find you when I think I'm out of time

Take the place of my heart till I become a stranger to my life I've been down without you wrong without your love In time will I be what you're thinking of?

(Chorus)

(out of time) (time) I've been down without you Cold without your love In time will I be what you're thinking of?

(Chorus x2)

(time x3)
