

# Jason Derulo, The Other Side

In the beginning  
I never thought it would be you  
When we were chillin  
Smiling in the photo booth  
But we got closer  
?Till you were eating off my spoon  
And coming over  
And we would talk all afternoon  
Tonight we?ll just get drunk  
Disturb the peace  
Bind your hands all over me  
And then you bite your lip  
Whisper and say, ?We?re going all the way?  
Tonight, take me to the other side  
Sparks fly like the Fourth of July  
Just take me to the other side  
I see that sexy look in your eyes  
And I know, we ain?t friends anymore  
If we walk down this road  
We?ll be lovers for sho  
So tonight kiss me like it?s do or die  
And take me to the other side  
This could be perfect  
But we won?t know unless we try  
I know you?re nervous  
So just sit back and let me drive  
Tonight we?ll just get drunk  
Disturb the peace  
Bind your hands all over me  
And then you bite your lip  
Whisper and say, ?We?re going all the way?  
Tonight, take me to the other side  
Sparks fly like the Fourth of July  
Just take me to the other side  
I see that sexy look in your eyes  
And I know, we ain?t friends anymore  
If we walk down this road  
We?ll be lovers for sho  
So tonight kiss me like it?s do or die  
And take me to the other side

Kiss me like it?s do or die  
And take me to the other side  
Tonight we?ll just get drunk  
Disturb the peace  
Let your love crash into me  
And then you bite your lip  
Whisper and say, ?We?re going all the way?  
Tonight, take me to the other side  
Sparks fly like the Fourth of July  
Just take me to the other side  
I see that sexy look in your eyes  
And I know, we ain?t friends anymore  
If we walk down this road  
We?ll be lovers for sho  
So tonight kiss me like it?s do or die  
And take me to the other side

Take me to the other side  
And take me to the other side  
Kiss me like it?s do or die  
And take me to the other side
