

# Jay Sean ft. Lil Wayne, Down

(Intro)

Baby are you down down down down down,  
Down, down,  
Even if the sky is falling down,  
Down, down  
Ooh (ohhh)

(Verse 1)

You oughta know, tonight is the night to let it go,  
Put on a show, i wanna see how you lose control,

(Bridge)

So leave it behind cause we, have a night to get away,  
So come on and fly with me, as we make our great escape.

(Chorus)

So baby dont worry, you are my only,  
You wont be lonely, even if the sky is falling down,  
Youll be my only, no need to worry,  
Baby are you down down down down down,  
Down, Down,  
Baby are you down down down down down,  
Down, Down,  
Even if the sky is falling down,

(Verse 2)

Just let it be, come on and bring your body next to me,  
Ill take you away, hey, turn this place into our private getaway,

(Bridge)

So leave it behind cause we, have a night to get away,  
So come on and fly with me, as we make our great escape,

(So why dont we run away)

(Chorus)

So baby dont worry, you are my only,  
You wont be lonely, even if the sky is falling down,  
Youll be my only, no need to worry,  
Baby are you down down down down down,  
Down, Down,  
Baby are you down down down down down,  
Down, Down,  
Even if the sky is falling down,

LiL Wayne

(Verse 3)

Even if the sky is falling down like she supposed to be,  
She gets down low for me,  
Down like her temperature, cause to me she zero degree,  
She cold, overfreeze,  
I got that girl from overseas,  
Now she my miss America,  
now can i be her soldier please,  
Im fighting for this girl,  
Im a battlefield of love,  
Dont it look like baby cupid sent his arrows from above,  
Dont you ever leave the side of me,  
Indefinitely, not probably,  
and honestly im down like the economy,  
Yeahhhhhh

(Chorus)

So baby dont worry, you are my only,  
You wont be lonely, even if the sky is falling down,  
Youll be my only, no need to worry,  
Baby are you down down down down down,  
Down, Down,  
Baby are you down down down down down,  
Down, Down,  
Even if the sky is falling down
