Jay-Z, December 4th

[Jay-Z's Mom:]

Sean Carter was born December 4th Weighing in at 10 pounds 8 ounces He was the last of my 4 children

The only one who didn't give me any pain when i gave birth to him And that's how i knew that he was a special child

[Jay-Z Verse 1]

They say "they never really miss you til you dead or you gone"

So on that note i'm leaving after the song

So you ain't gotta feel no way about Jay so long

Atleast let me tell you why i'm this way, Hold on

I was conceived by Gloria Carter and Adaness Revees

Who made love under the Siccamore tree

Which makes me

A more sicker M.C. and my momma would claim

At 10 pounds when i was born i didn't give her no pain

Although through the years i gave her her fair share

I gave her her first real scare

I made it from birth and i got here

She knows my purpose wasn't purpose

I ain't perfect i care

But i feel worthless cause my shirts wasn't matchin my gear

Now i'm just scratchin the surface cause what's burried under there

Was a kid torn apart once his pop disappeared

I went to school got good grades could behave when i wanted

But i had demons deep inside that would raise when confronted

Hold on

[Jay-Z's Mom:]

Shawn was a very shy child growing up

He was into sports

And a funny story is

At 4 he taught hisself how to ride a bike

A two wheeler at that

Isn't that special?

But, i noticed a change in him when me and my husband broke up

[Jay-Z Verse 2]

Now all the teachers couldn't reach me

And my momma couldn't beat me

Hard enough to match the pain of my pops not seeing me, SO

With that distain in my membrain

Got on my pimp game

Fuck the world my defense came

Then Dahaven introuced me to the game

Spanish Jose introduced me to cane

I'm a hustler now

My gear is in and i'm in the in crowd

And all the wavey light skinned girls is lovin me now

My self esteem went through the roof man i got my swag

Got a volvo from this girl when her man got bagged

Plus i hit my momma with cash from a show that i had

Supposedly knowin nobody paid Jaz wack ass

I'm geting ahead of myself, by the way, i could rap

That came second to me movin this crack

Gimme a second i swear

I will say about my rap career

Til 96 came niggas i'm here

Good-bye

[Jay-Z's Mom:]

Shawn use to be in the kitchen

Beating on the table and rapping

And um, until the wee hours of the morning And then i bought him a boom box And his sisters and brothers said he would drive them nuts But that was my way to keep him close to me and out of trouble

[Jay-Z Verse 3]

Good-bye to the game all the spoils, the adreneline rush Your blood boils you in a spot knowing cops could rush And you in a drop your so easy to touch No two days are alike Except the first and fifteenth pretty much And "trust" is a word you seldom hear from us Hustlers we don't sleep we rest one eye up And the drought to find a man when the well dries up You learn to work the water without workin thirst til die YUP And niggas get tied up for product And little brothers ring fingers get cut up To show mothers they really got em And this was the stress i live with til i decided To try this rap shit for a livin I Pray i'm forgiven For every bad decision i made Every sister i played Cause i'm still paranoid to this day And it's nobody fault i made the decisions i made

If you can't respect that your whole perspective is wack Maybe you'll love me when i fade to black

This is the life i chose or rather the life that chose me

If you can't respect that your whole perspective is wack Maybe you'll love me when i fade to black [repeat 2 more times to fade]
