And they family approach you

And you dealin wit his family emotions

And these motherfuckers say you ain't focused

But they wasn't on the same vibe

I remain calm

This aim mine when its game time

Though you gone dog you spirit still wit us

For the clueless we just clearin the picture

And we airin them niggaz

Ridin hard 'til we bury them wit'cha

Show you how much we care for you niggaz

And I'm ready to pop

But nigga trust Ima flush all this bullshit

All this fake Tupac and fake Suge shit

We ain't the first to make hood shit

We ain't invent the wheel

But we made the Goodrich tire

But its stress on my brain
But your death ain't in vain
Lost my breath when it came and uh
They say we joyce in death but the pain
Best believe my first boy

All that's left is your face on the picture
On my dresser in the frame
And it just ain't the same I'm like
Dam man, how my another homey missin
