

# Jay-Z, Regrets 2004

(Nicole Wray)  
[1st Verse]

I don't even know at all  
Sometimes I want it all  
Sometimes I go to hard  
And suddenly I fall apart  
Don't even sleep at all  
Wondering if it's true or false

[B- Sect]

Head is spinning, wish I didn't love him  
(My life, my life, my life, my life)  
But I did

[B-Sect 2]

And no I don't know it all  
I'm moving way to fast  
Catching up with the fire  
Knowing this thang ain't gonna last  
But I tried it all  
I just learn to take the lost  
And move on  
(Whoo, whoo, ooh, oh)

[Chorus]

This is rule number one  
Where I'm from  
Gotta learn to live wit regrets  
I know you feel the pain  
(Gotta keep ya head)  
Everyday  
Gotta learn to live wit regrets

This is rule number one  
Where I'm from  
Gotta learn to live wit regrets  
I know you feel the pain  
(Gotta keep ya head)  
Everyday  
Gotta learn to live wit regrets

[2nd Verse]

I don't even know at all  
But I know in life we must feel pain  
Especially when the bills ain't paid  
It's hard to keep smiling much these days  
Now please take it all away  
Cause I'm moving  
Can't be wasting time

[B-Sect 1]

Head is spinning, wish I didn't love him  
(My life, my life, my life, my life)  
But I did

[B-Sect 2 ]

And now I don't know it all

Wish hurt would go away  
Don't wanna cry today  
I'll just walk away  
Pretend to see a better day

[Chorus]

This is rule number one  
Where I'm from  
Gotta learn to live wit regrets  
I know you feel the pain  
(Gotta keep ya head)  
Everyday  
Gotta learn to live wit regrets

This is rule number one  
Where I'm from  
Gotta learn to live wit regrets  
I know you feel the pain  
(Gotta keep ya head)  
Everyday  
Gotta learn to live wit regrets

[Jay-z Verse]

I found myself reminiscin, remember this one  
when he was here he was crazy nice with his son  
I miss him, long as I'm livin he's livin through memories  
He's there to kill all my suicidal tendencies  
In heaven lookin over me, or in hell, keepin it cozy  
I'm comin, life on these streets ain't what it's supposed to be  
Remember Newton, mutual friend well me and him feudin  
On your life I tried to talk to him  
But you know niggaz, think they guns can stop four niggaz  
Frontin like they're, Big Willie but really old niggaz, hoe niggaz  
This year I'm sho' niggaz think I'm slippin  
I'm bought to send you a roommate, no bullshittin  
For my hustle's goin too well to hit him  
You was right niggaz want you to be miserable wit em  
Anyway, I ain't tryin to hear it,  
I think I'm touched this whole verse I been talkin to your spirit, a little too much

[Jay-z's chorus]

This is the number one rule for your set  
In order to survive, gotta learn to live with regrets  
On the, rise to the top, many drop, don't forget  
In order to survive, gotta learn to live with regrets  
This is the number one rule for your set  
In order to survive, gotta learn to live with regrets  
And through our travels we get seperated, never forget  
In order to survive, gotta learn to live with regrets
