

# Jay-Z, Young Forever (feat. Mr. Hudson)

[Mr. Hudson]

Let's dance in style  
Let's dance for a while  
Heaven can wait we're only watching the skies  
Hoping for the best but expecting the worst  
Are you gonna drop the bomb or not?  
Let us die young or let us live forever  
We don't have the power but we never say never  
Sitting in a sandpit  
Life is a short trip  
The music's for the sad man

[Chorus]

Forever young  
I wanna be  
Forever young  
Do you really want to live forever,  
forever, and ever? (Uhh)  
Forever young (Young)  
I wanna be (Aye, may the best of your todays...  
Forever young (Be the worst of your tomorrows...  
Do you really want to live forever, (But we ain't even thinkin that far...Ya kna what i mean?)  
Forever, forever young

[Jay-z]

So we livin life like a video  
Where the sun is always out and you never get old  
and the champaign is always cold  
and the music is always good  
and the pretty girls just happen to stop by in the hood  
and they hop they pretty ass up on the hood of that pretty ass car  
without a wrinkle in today  
cuz there's no tomorrow  
just a picture perfect day  
that last a whole lifetime  
and it never ends  
cause all we have to do is hit rewind  
So let's just stay in the moment smoke some weed drink some wine  
Reminisce talk some shit forever young is in your mind  
Leave a mark they can't erase, Neither space nor time  
So when the director yells cut, I'll be fine  
I'm forever young

[Chorus]

Forever young  
I wanna be  
Forever young  
Do you really want to live forever,  
forever, and ever  
Forever young  
I wanna be  
Forever young  
Do you really want to live forever,  
forever, forever young

[Jay-z]

Fear not where, fear not why, fear not much while we're alive  
Life is for living not living uptight  
til you're somewhere up in the sky  
Fear not die I'll be alive for a million years bye bye's are not for legends i'm forever young my name  
Through the darkest blocks, over kitchen stoves, over Pyrex pots, My name shall be passed down  
Young slung, hung here, showed that a nigga from here, With a little ambition, just what we can be

And as the father pass the story down to his son's ear younger get younger every year (yeah)  
So if you love me baby this is how you let me know, Don't ever let me go, that's how you let me know

[Chorus]  
Forever young  
I wanna be  
Forever young  
Do you really want to live forever,  
forever, forever  
Forever young  
I wanna be  
Forever young  
Do you really want to live forever,  
forever, forever young

[Jay-z sings]  
Slammin' Bentley doors,  
hoppin' outta Porsche's  
Poppin' Up on Forbes' list  
Gorgeous (hold up,)  
Niggas thought I lost it  
They be talking bullshit,  
I be talking more shit,  
They nauseous, (hold up) I'll be here forever  
You know I'm on my four shit  
I ain't with foreclosure  
I will never forfeit  
Less than four bars  
Guru bring the chorus in  
Did you get the picture yet?  
I'm painting you a portrait of Young

[Chorus]  
Forever young  
I wanna be  
Forever young (Forever young)  
Do you really want to live forever  
forever, forever young
