

Jazmine Sullivan, Girl Like Me (ft. H.E.R.)

I made a profile on Tinder
Since you left me to be with her
I think that means i am getting desperate
Wish i couldreturn to sender
But you don't love me no more
And i don't even know what for
yeah yeah yeah

Knew it was real when you blocked me
Now i sit at home judgin' my body
Wondering what i did to lose you
Why in the hell you ain't choose me?
Why you don't love me no more
And i don't even know what for
nah, nah nah
