me, me, me hello, turn around, that door  
surf the bay no more, zip the rack, zip old  
so, so, so, surf more, so, so, so, zip door

come on baby, your, almost home  
zip down south, we go, up down south tip toe  
up on out, new hope, get out now, new hope  
dip on out, we go, know how far we go  
tip how far we go, tip how far we go
