

Jean Shepard, We Could

If anyone could find the joy that true love brings a girl and boy
We could we could you and I
If anyone could ever say that their true love was here to stay
We could we could you and I
When you're in my arms I know you're happy to be there
And just as long as I'm with you I'm happy anywhere
If anyone could pray each night and thank to Lord cause all is right
We could we could you and I
[steel]
When you're in my arms I know...
