

# Jean Shepard, We Could

If anyone could find the joy that true love brings a girl and boy  
We could we could you and I  
If anyone could ever say that their true love was here to stay  
We could we could you and I  
When you're in my arms I know you're happy to be there  
And just as long as I'm with you I'm happy anywhere  
If anyone could pray each night and thank to Lord cause all is right  
We could we could you and I  
[ steel ]  
When you're in my arms I know...
