

Jean Shepard, Your Forevers Don't Last Very Long

Each time you say you'll love me forever I believe it then something goes wrong
So this time let's use my forever cause your forevers don't last very long
I remember the first time you kissed me you whispered this love's just gotta be
But you were saying the same things to others
I thought forever was meant just for me
Forever to me meant a lifetime with you so where do the others belong
So this time let's use my forever cause your forevers don't last very long
[piano]
Forever to me meant a lifetime...
