

# Jed Madela, Forevermore

They see me out my friend  
I've something to say that's from within  
It's our last memory  
Try to think back I'll help you see  
All of those nights we shared  
All of those days you are there

(chorus)

I just wanna love you forevermore  
And I wanna hold you just like before  
And maybe someday we might just find a way  
And we can love forevermore

If I could turn back time  
I would have never let you go  
And you would still be mine  
But here I am crying all alone  
All of love we shared  
All of time you are these

(repeat chorus)

(bridge)

I'm lost without you  
Oh tell me what should I do  
Now that you're gone  
I can't go on all alone  
I'm a lonely man, I need you again

(repeat chorus)
