## Jedd Hughes, I'll Keep Movin'

Written by Jedd Hughes, Terry McBride and Tommy Lee James

Tonight I'm drivin'
Heading south
Got no reason to turn around
I'm always running
It's in my blood
Can't say goodbye fast enough

## Chorus:

I'll keep movin' 'till I get somewhere Keep believin' there's something out there I'll keep singin' till I find my song I'll keep moving Movin' on

People ask me
Why I'm so restless
Wastin' my time jumping fences
I keep hopin'
There'll be a place
A piece of heaven, until that day

Repeat chorus twice
