

# Jeff Buckley, Let Time Stand Still/Killing Time

I wait and wait  
sleepwalk the hourglass  
this way and that  
the pendulum swings  
yes there's plenty of time  
always time left to kill  
does time stand still  
or hurtle on by?

let time unwind  
let all the cogs fall out  
let mans machines  
collapse and rust  
face down in the dust  
i'll kiss no other lips  
a life time of nothing  
condemned without you

been so long here  
i could die here  
lying by your side  
but time won't claim me  
time and me only  
i'm just killing time

if the sun went out  
i wouldn't mind too much  
who needs the days  
to trouble to fill?  
if the moon didn't rise  
i wouldn't be upset  
who needs moonshine  
to cause tears to spill?

i've been so long here  
i could lie here  
under dying sky  
this thirst and hunger  
holds no wonder  
i'm just killing time

i await your return  
there's no other one
