

# Jeff Buckley, Unforgiven (Last Goodbye)

This is our last goodbye  
I hate to feel the love between us die  
But it's over  
Just hear this and then I'll go  
You gave me more to live for  
More than you'll ever know

This is our last embrace  
Must I dream and always see your face  
Why can't we overcome this wall  
Baby, maybe it is just because I didn't know you at all

Kiss me  
Please kiss me  
But kiss me out of desire, babe  
And not consolation  
You know it makes me so angry  
'Cause I know that in time  
I'll only make you cry  
This is our last goodbye

Did you say "No, this can't happen to me";  
And did you rush to your phone to call?  
Was there a voice unkind in the back of your mind saying  
"Maybe... you didn't know him at all";  
You didn't know him at all  
You didn't know

The bells out in the church tower chime  
Burning clues into this heart of mine  
Thinking so hard on her soft eyes and the memory  
Offer signs that it's over  
It's over
