

# Jeff Lynne's ELO, When I Was a Boy

When I was a boy, I had a dream  
All about the things I'd like to be  
Soon as I was in my bed  
Music played inside my head  
When I was a boy, I had a dream

When I was a boy, I learned to play  
Far into the night and drift away  
Don't want to work on the milk or the bread  
Just want to play my guitar instead  
When I was a boy, I had a dream

And radio waves kept me company  
In those beautiful days when there was no money  
When I was a boy, I had a dream

When I was a boy, I had a dream  
Finding out what life could really mean  
Don't want a job cause it drives me crazy  
Just wanna sing, "Do you love me, baby?"  
When I was a boy, I had a dream

And radio waves kept me company  
In those beautiful days when there was no money  
When I was a boy, I had a dream

When I was a boy
