Jefferson Starship, Rock Music

Rock n roll is good time music Rock n roll is good time music

Mama said be a doctor son
But a voice said follow the music
Papa said be a lawyer boy
But a voice said follow the mu'
'Cause you know you're not doin for the money
You're doin it just for the thrills
You don't do it for money, boy
So thank the Lord rock keeps payin the bills

Rock n roll is good time music (repeat twice)

You may think that life aint no laughing matter And go right on a talkin all your intellectual chatter Well all that jivin, it ain't true So let's just push on through Rock n roll to stay alive Rock n roll will survive

Sneakin Monica out after the prom You know I didn't get her back, people 'Till just before dawn Outside we were creepin Inside everyone was sleepin Goodness gracious! That's rock n roll!

Rock n roll is good time music (repeat three times)
