

Jeffries Fan Club, Wish You Weren't Here

Took my lady out with me
Our 14-day anniversary
To the place where we first met
To say the things I hadn't yet
I was gonna tell her how I felt
And all the things I'd thought about
I was gonna tell her how I cared
Then she told me
How I wish that you weren't here
And I hate it when you're near
I'd rather be alone
I'd love to be without you
I put on the song of our first dance
The one that started our romance
I went to whisper in her ear
To say the things she'd love to hear yeah
I guess I thought she loved me
I guess I thought she cared
I thought we'd be together
Forever but I was wrong
