

# Jellyfish, Bye, Bye, Bye

so there it is  
all the truth is on the table  
nothing to forgive  
it's ok to start again

the wedding cake  
almost fades into a memory thrown  
in cupid's face  
love's just frosting anyway  
they both think back to long ago  
when thoughts of them both  
growing old  
had given them the grey hair they  
deserved  
singing bye bye bye...  
well i've come to take you home

another wife  
neglected to the end  
lives her on prison life  
solitaire's not just a game

she called his bluff  
even thought the token and gold  
watch were never enough  
to tell the time and start again

it seems all of these tragedies  
that last and last eternities  
have broken every bank and every  
bone singing bye bye bye..  
well i've come to take you home
