

# Jennifer Hudson, I Am Changing (DREAMGIRLS)

I am changing  
Trying every way I can  
I am changing  
I'll be better than I am  
I'm trying to find a way to understand  
But I need you  
I need you  
I need a hand

I am changing  
Seeing everything so clear  
I am changing  
I'm going to start right now, right here  
I'm hoping to work it out  
And I know that I can  
But I need you  
I need a hand

All of my life I've been a fool  
Who said I could do it all along  
How many good friends have I already lost  
And how many dark nights have I known  
Walking down that wrong road  
There was nothing I could find  
All those years of darkness could make a person blind  
But now I can see...

I am changing  
Trying every way I can  
I am changing  
I'll be better than I am  
But I need a friend to help me start all over again  
That would be just fine  
I know it's gonna work out this time  
Cause this time I am  
This time I am...

**I AM CHANGING**  
I'm getting my life together now  
I am changing  
Yes, I know how  
I'm gonna start again  
I'm gonna leave my past behind  
I'll change my life  
I'll make a vow  
And nothing's gonna stop...  
**ME**  
**NOW**
