

Jennifer Hudson, My Heart

Whoa Whoa 1234

What's up girl? let me holler at you for a second. I just want you to know all of those other girls they

[Verse 1:]

You turned me on, sounds so good talking fast. But before we go on there's something I must ask,

[Chorus:]

But I ain't talking bout that, ain't talking bout them,
(Ain't talking bout her) ain't talking bout him
(I'm talking bout trust) I'm talking bout truth
(I'm talking bout me) and what I'm giving you
(This is my heart) please take care
(This is my heart) always be there
(This is my heart) something you can't take
So whatever you do please don't break my heart

[Verse 2:]

Some girls are satisfied with clashing heads
And some girls are happy just to have a man
But my heart has my word to never put her in the way of harm
So you know I like your charm

[Chorus:]

But I ain't talking bout that, ain't talking bout them,
(ain't talking bout her) ain't talking bout him
(I'm talking bout trust) I'm talking bout truth
(I'm talking bout me) and what I'm giving you
(this is my heart) so treat it like gold
(this is my heart) pretend that it's yours
(this is my heart) it's too valuable to loose
So whatever you do please don't loose my heart

[Bridge:]

One night asint gone get you no where, there's so much to learn and what you dedicate to me is w

[Chorus:]

But I ain't talking bout that, ain't talking bout them,
(Ain't talking bout her) ain't talking bout him
(I'm talking bout trust) I'm talking bout truth
(I'm talking bout me) and what I'm giving you
(This is my heart) so ebfore you lie
(This is my heart) draw me a line
(This is my heart) pain shows up
So whatever you do please don't break my heart
My heart

I'm talking about the truth, and what I'm giving you
This is my heart
