

Jennifer Hudson, What's Wrong (Go Away)

Go away, go away

I've got this feeling today
A feeling I ain't never felt before
And it came from you
(And it came from me)
So that means you can make it go away, make it go away
And I don't like the way
You've been hanging around with your
Face on the ground, what's the deal?
Can you make it go away, make it go away?

What's wrong with my baby?
What's wrong with me?
What's wrong with us?
What's wrong with we?

'Cause every time we try to talk and turn this thing around
Tell me what's the deal and man we'll try to work it out
Is it you?
Is it me?
Is it us?
Is it we?
We've been through so much pain

Baby calm down, no way

Believe it, tonight you got me feeling this way
And I never ever felt this way before
Didn't expect that from you
You tryna make me go away
And I don't like the way
We keep on buzzing and fighting but yesterday and last night, that's all news
We need to be strong
But you're making me go away, go away

What's wrong with my baby?
What's wrong with me?
What's wrong with us?
What's wrong with we?

'Cause every time we try and talk you turn the thing around
Tell me what the deal is it, we'll try to work it out
Is it you?
Is it me?
Is it us?
Is it we?
We go through so much pain

Now let's stop playing these games
If we gonna make it work
Let's just act our age
Girl I'm hearing everything that you say
But I don't wanna make you go away, make you go away
I know I act like I don't care
I'm just tryna play it cool
But if we keep backing this way
Then that would make us both some fools
All the hurt and the lies and the pain
Need to make that go away, make it go away

What's wrong with my baby?
What's wrong with me?
What's wrong with us?

What's wrong with we?

See, every time we try to talk and turn this thing around
Tell me what's the deal and then we'll try to work it out
Is it you?
Is it me?
Is it us?
Or is it, is it, is it we?
