Estoy loca enamorda de ti...

It seemed to be like the perfect thing for you & me  
It's so ironic you're what I had pictured you to be  
But there are facts in our lives we can never change  
Just tell me that you understand & you feel the same  
This perfect romance that I've created in my mind  
I'd live a thousand lives  
each one with you right by my side  
But yet we find ourselves  
in a less than perfect circumstance  
And so it seems like we'll never have the chance

Ain't it funny how some feelings you just can't deny  
And you can't move on even though you try  
Ain't it strange when your feeling things you shouldn't feel  
Oh , I wish this could be real  
Ain't it funny how a moment could just change your life  
And you don't want to face what's wrong or right  
Ain't it strange how fate can play a part  
in the story of your heart

Sometimes I think that a true love can never be  
I just believe that somehow it wasn't meant for me  
Life can be cruel in a way that I can't explain  
And I don't think that I could face it all again  
I barely know you but somehow I know what you're about  
A deeper love I've found in you & I no longer doubt  
You've touched my heart & it altered every plan I've made  
And now I feel that I don't have to be afraid

Ain't it funny how some feelings you just can't deny  
And you can't moved on even though you try  
Ain't it strange when your feeling things you shouldn't feel  
Oh , I wish this could be real  
Ain't it funny how a momant could just change your life  
And you don't want to face what's wrong or right  
Ain't it strange how fate can play a part  
in the story of your heart

I locked away my heart but you just set it free  
Emotions I felt held me back from what my life should be  
I pushed you far away & yet you stayed with me  
I guess this means that you & me were meant to be

Ain't it funny how some feelings you just can't deny  
And you can't moved on even though you try  
Ain't it strange when your feeling things you shouldn't feel  
Oh , I wish this could be real  
Ain't it funny how a momant could just change your life  
And you don't want to face what's wrong or right  
Ain't it strange how fate can play a part  
in the story of your heart

Ain't it funny how some feelings you just can't deny  
And you can't moved on even though you try  
Ain't it strange when your feeling things you shouldn't feel  
Oh , I wish this could be real  
Ain't it funny how a momant could just change your life  
And you don't want to face what's wrong or right  
Ain't it strange how fate can play a part
