

Jennifer Lopez, Baby I Love You (Non-Remix)

(Verse 1)

Boy I never knew I could feel
The way I felt, when I felt
The way you were feelin me baby
I'm so out of control(yeah)
Everytime you look my way
I realize more and more
How much I adore those pretty eyes of yours
I'm helpless baby
What I want to know is
Are you willing to try(echo)
Can you love me for a lifetime
in just one night ohh

(Chorus)

Baby I love you
(Love You)
Baby I need you
(Need You)
I gotta have you
I gotta have you baby
Cant be without you
Be without you

Baby I love you
Yea
Baby I need you
Need You
I gotta have you
I gotta have you baby
Cant be without you

(Verse 2)

Blessed and Cursed on the same day
The day that I first felt the power of you
Inside of me
Such a strong feeling
There comes a time in everyones life
When you know that everyone around you knows
That everything has changed, your not the same
Its a new day
Oh what I wanna know is
Are you willing to try(try)
thers gotta to be more meaning to this than what meets the eye

(Chorus)

Ohh I love the way you kiss me
Baby please
Im about to loose my mind
Ohh talk to me
cuz Im beggin for you and Im down on my knees
Baby I know your the one that I need

...Baby I love you...
...You know I need you...
...Gotta have you...
...Cant be without you...
...Baby I love you...
...You know I need you...
...Gotta have you...
...Cant be without you..

(Chrous x3)
