

Jennifer Lopez, Can't Get Enough (feat. Latto)

I just wanna
I just feel like, ooh
Every time I see ya
I just, ooh, hey
Hit-Boy

I feel like startin' somethin'
You got my engine runnin'
You got the keys to turn me on and on
You got me accelerated
I wanna celebrate it
Can't nothin' take me out my zone, it's on

When it feels right
Nothin' else matters
Is this real life?
Too good to be true
Take me all night
I can feel the passion
In your eyes
I'm still in love with you

You know I can't get enough
I love that shit
You know I can't get enough
You love that shit
You know I can't get enough
Give me all that shit
Can't get enough
You know I can't get enough
I love that shit
You know I can't get enough
You love that shit
You know I can't get enough
Give me all that shit
Can't get enough of you

I'm still in love
With you, boy

I just wanna

Every time I see ya, it's like
Oh, hey
