

Jennifer Lopez, Feel The Light

Here I go
Here I go
Feel better now
Feel better now
Here I go
Here I go
It's better now
Feel better now

Do you remember when we fell under
Did you expect me to reason with thunder
I still remember when time was frozen
What seemed forever was just a moment
Hurry up, hurry up
There's no more waiting
We're still worth saving

Feel the light
Shining in the dark of night
Remember what we forgot
I know it's a long shot
But we're bringing it all back
We're bringing it all back
Feel the light
Shining like the stars tonight
Remember what we forgot
I know it's a long shot
But we're bringing it all back
We're bringing it all back

Here we go
Here we go
It's better now
Feel better now
