## Jennifer Lopez, Feel The Light

Here I go Here I go Feel better now Feel better now Here I go Here I go It's better now Feel better now

Do you remember when we fell under Did you expect me to reason with thunder I still remember when time was frozen What seemed forever was just a moment Hurry up, hurry up There's no more waiting We're still worth saving

Feel the light
Shining in the dark of night
Remember what we forgot
I know it's a long shot
But we're bringing it all back
We're bringing it all back
Feel the light
Shining like the stars tonight
Remember what we forgot
I know it's a long shot
But we're bringing it all back
We're bringing it all back

Here we go Here we go It's better now Feel better now
