

Jennifer Lopez, Hummingbird

Tekst piosenki 'Hummingbird' z albumu 'This Is Me...Now' od Jennifer Lopez (premiera 16 lutego 2002)

Tell me how your day was
So I can make it better
The way you make me better
Hold you up through any weather
Learn with every lesson
It's progress, not perfection
You'll never have to question
Ain't no guessing my intentions

Baby, I know it gets hard sometimes (Sometimes)
I just wanna be the wings to help you fly (Wings to help you fly)

'Cause you help me be
The best version of me
And all I wanna do
Is help you be the best version of you
'Cause you help me be
The best version of me
And all I wanna do
Is help you be the best version of you

Love is patient, love is kind
It's safe to say what's on your mind
Wrap you up and hold you tight
'Cause I love who you are inside

Baby, I know it gets hard sometimes (Sometimes)
I just wanna be the wings to help you fly (Wings to help you fly)

'Cause you help me be
The best version of me (Every day)
And all I wanna do
Is help you be the best version of you (Yeah, in my own way)
'Cause you help me be (You help me be)
The best version of me (The best me I could be)
And all I wanna do
Is help you be the best version of you

I wanna be there, I wanna be there for you
You make me wanna say
I wanna be there for you
Make me better, better every day, yeah
I'm your hummingbird, baby, open your eyes
Hummingbird, I be sending you signs
(I be sending you signs, sending, sending you signs, yeah)
I'm your hummingbird, baby, open your eyes
Hummingbird, I be sending you signs (Baby, I'll be)
Flying high, tryna tell you it's fine
Tell you what you need to hear, babe

'Cause you help me be
The best version of me (Help you be, I'll help you be)
And all I wanna do
Is help you be the best version of you
'Cause you help me be
The best version of me (The best version of me)
And all I wanna do (All I wanna do)
Is help you be the best version of you

With love
With all of my love
