

# Jennifer Lopez, I'm Gunna Be Alright Remix (Ft. 5

Oh yes

[Nas]

Uh, this for you girl

Yo, I took you from the projects, put the best clothes in ya closet

Like Ginger from "Casino" and now you a pro

We was like Joe DiMaggio and Marilyn Monroe

All ya jealous girlfriends hatin' waitin'

So I put the cars in yo hand

All I know is Nas was yo man

It was so real, boats and sixes

Special Japanese chefs makin' home cooked dishes

Plenty trips, invisible sets

You know what you missin'

Huh check it

Yo nobody understands me, I'm dealin' with pressure

My peoples is locked in a jail cell with no bail stressin'

Guess it's the life of a kingpin

Rap Stephen King, rock bling

Like neon lights, we gon' be alright

But it's like you feelin' me lesser

Claim I'm actin' like a retard, right

Me and my boys We start fights,

when will I'm in charge

You scream I'm in the streets all night

Or where was I at, ya found light brown hairs on my hat

I'm so caught

[Jennifer Lopez]

It's funny 'cause for a while

I walked around with a smile

But... deep inside, I could hear

Voices telling me "This ain't right"

Don't you know, it's not for you

I always knew what I had to do

But it's hard to get away

Cause I love you I just got to say,

[Jennifer Lopez]

I used to say I couldn't do it but I did it (Yes I did)

After telling everybody that I wasn't with it (Oh yeah)

Though it brings tears to my eyes I can feel it

And I know inside cause I'm gonna be alright (Gonna be alright)

I said I couldn't do it but I did it (Yes I did)

After telling everybody that I wasn't with it (Oh yeah)

Though it brings tears to my eyes I can feel it

And that voice inside says I'm gonna be alright (Gonna be alright)

[Jennifer Lopez]

Friends of mine say to me

Say you got control over me

You're not alone, I played my part

I saw the way you were from the start

Could I expect so much from you

You had a girl when I first met you

Did the best that you could do

Now I realize that I can't change you

I used to say I couldn't do it but I did it (Yes I did)

After telling everybody that I wasn't with it (Oh yeah)

Though it brings tears to my eyes I can feel it

And I know inside cause I'm gonna be alright (Gonna be alright)

I said I couldn't do it but I did it (Yes I did)

After telling everybody that I wasn't with it (Oh yeah)

Though it brings tears to my eyes I can feel it  
And that voice inside says I'm gonna be alright (Gonna be alright)

[50 Cent]

I wanna be the reason you smile after you wipe your tears,  
The reason you have the courage to confront your fears  
The reason there's 2 carrots in each of your ears  
I splurge with the paper ma, I don't care  
How ya like the pumps, boots, jeeps, coupes  
Minks, and leathers, 50 fall off never  
Whats mine is yours and whats yours is mine  
So when I shine you shine  
Come on wit this Finest champagne we can toast to life  
Crap table in Vegas you can toss the dice  
Don't let your friends get ya confused sayin 50 bad news  
I need ya in my life your too much to loose  
Now when i tell ya what my wishes are  
You don't respect it  
When I smile at ya  
You don't smile back to reconnect it  
You ain't been gone long but  
I already miss ya  
I need you next to me so I can hug you and kiss you  
All the talkin on the phone  
All the time we share  
How could you fix your mouth to say I don't care  
I had plans for us  
To buy ice together  
Engagement rings, and things to share life together  
Now when your friends tell ya 50 call you like whatever  
Do u think we were wrong for each other from the start  
Or was it my actions that made us fall apart  
Just want you to know you'll always have a place in my heart

I used to say I couldn't do it but I did it (Yes I did)  
After telling everybody that I wasn't with it (Oh yeah)  
Though it brings tears to my eyes I can feel it  
And I know inside cause I'm gonna be alright (Gonna be alright)  
I said I couldn't do it but I did it (Yes I did)  
After telling everybody that I wasn't with it (Oh yeah)  
Though it brings tears to my eyes I can feel it  
And that voice inside says I'm gonna be alright (Gonna be alright)

Oh, no...

I used to say I couldn't do it but I did it (Yes I did)  
After telling everybody that I wasn't with it (Oh yeah)  
Though it brings tears to my eyes I can feel it  
And I know inside cause I'm gonna be alright (Gonna be alright)  
I said I couldn't do it but I did it (Yes I did)  
After telling everybody that I wasn't with it (Oh yeah)  
Though it brings tears to my eyes I can feel it  
And that voice inside says I'm gonna be alright (Gonna be alright)
