

Jennifer Lopez, It Funny

It seemed to be like the perfect thing for you and me
Its so ironic you're what i had pictured you to be
But there are facts in our lives that we can never change
Just tell me that you understand and feel the same
This perfect romance that i created in my mind
I'd live a thousand lives each one with you right by my side
And yet we find ourselves in a less than perfect circumstance
And so it seems like we'll never have the chance

Aint it funny how some feelings you just can't deny
And you cant move on even though you try
Aint it strange how you're feeling things you shouldnt feel
Oh i wish this could be real
Aint it funny how a moment could just change your life
And you dont wanna face whats wrong or right
Aint it strange how fate can play a part
In the story of your heart

Sometimes i think that a true love can never be
I just believe that somehow it wasnt meant for me
Life can be cruel in a way that i cant explain
And i dont think that i could face it all again
I barely know you but somehow i know what you're about
A deeper love i found and you and i no longer doubt
You touhced my heart and it altered every plan i made
And now i feel that i dont have to be afraid

Aint it funny how some feelings you just can't deny
And you cant move on even though you try
Aint it strange how you're feeling things you shouldnt feel
Oh i wish this could be real
Aint it funny how a moment could just change your life
And you dont wanna face whats wrong or right
Aint it strange how fate can play a part
In the story of your heart

I locked away my heart but you just set it free
Emotions i felt held me back from what my life should be
I pushed you far away and yet you stayed with me
I guess this means that you and me were meant to be

Aint it funny how some feelings you just can't deny
And you cant move on even though you try
Aint it strange how you're feeling things you shouldnt feel
Oh i wish this could be real
Aint it funny how a moment could just change your life
And you dont wanna face whats wrong or right
Aint it strange how fate can play a part
In the story of your heart
