

Jennifer Lopez, Limitless (piosenka z filmu 'Teraz

i couldn't fight anymore
and i wouldn't lie anymore
and all of the truths that I couldn't ignore
I wouldn't fight in this war

No /10x
no crying
No /10x
no crying
No /10x

I told myself I had to be a different someone
in order to win at a war
I had already won
i'd given up on the saying

I'll never give up
but look at me now
look at me
I'm limitless /2x
look at me now
look at me
I'm limitless /2x

I am a woman who roars
nobody opened my door
I am a woman saying I want more
so give me what I'm asking for

No /10x
no crying
No /10x

I told myself I had to be a different someone
in order to win at a war
I had already won
i'd given up on the saying

I'll never give up
but look at me now
look at me
I'm limitless /2x
look at me now
look at me
I'm limitless /2x
