

# Jennifer Lopez, Love Don't Cost A Thing (Remix)

[Fat Joe]

(Remix)

Yeah not to get it confused or twisted  
This is a T Squad remix, ya heard  
Joey Crack the Don, J Lo  
Boogie Down Bronx, ya heard? Boricua

[Jennifer Lopez]

Think you gotta keep me iced, you don't  
Think I'm gonna spend your cash, I won't  
Even if you were broke  
My love don't cost a thing  
Think I wanna drive your Benz, I don't  
If I wanna floss, I got my own  
Even if you were broke  
My love don't cost a thing

When you rolled up in the Escalade  
Saw that dub you gave to the valet  
Knew that it was game when you looked at me  
Pulling up your sleeve so I could see the Rollie bling  
Saw you later in the corner booth  
Raising up a toast so I would notice you  
But you're hard to miss, think you outta know  
Doesn't really matter if you're balling out of control

All that matters is  
That you treat me right  
Give me all the things I need  
That money can't buy yeah

[Jennifer Lopez]

Think you gotta keep me iced, you don't  
Think I'm gonna spend your cash, I won't  
Even if you were broke  
My love don't cost a thing  
Think I wanna drive your Benz, I don't  
If I wanna floss, I got my own  
Even if you were broke  
My love don't cost a thing

When I took a chance  
Thought you'd understand  
Baby credit cards aren't romance  
Still you're tryna buy what's already yours  
What I need from you is not available in stores  
Seen a side of you that I really feel  
You're doing way too much, never keep it real  
If it doesn't change, gotta hit the road  
Now I'm leaving, where's my keys?  
I've got to go

All that matters is  
That you treat me right  
Give me all the things I need  
That money can't buy yeah

[Jennifer Lopez]

Think you gotta keep me iced, you don't  
Think I'm gonna spend your cash, I won't  
Even if you were broke  
My love don't cost a thing

Think I wanna drive your Benz, I don't  
If I wanna floss, I got my own  
Even if you were broke  
My love don't cost a thing

A thing, a thing, a thing  
Yeah, yeah, yeah

[Fat Joe]  
Yeah uh money can't buy love  
Well love can't buy a damn thing  
See if love buy you champagne  
See if a hug buys a damn ring  
Or that Dolce dress with a slit up the hamstring  
I ain't tryna buy your heart with mine  
But I'm eatin' now, how I'mma starve my honey  
If I went broke today, I'd be blacker than blind  
Catch a case just to keep your face between rocks  
Even if we had to live in a box  
I'll make the sacrifice  
Tell you go ahead and live with your pops  
Come on ma you know better  
Even though you got your own chedda  
We can spend mine together  
Can't lie, even think about us dying together  
In the same house, that we plan to buy together  
Jenny it's all about you  
I only trick cause I'm allowed to  
But it don't mean ish without you

[Jennifer]  
You think the money that you make  
Can substitute the time you take  
To get the keys into my heart  
Think you can win my heart  
Don't know what's in my heart  
I think you need to take some time  
To show me that your love is true  
There's more than dollar signs in you  
Then you can win my heart, and get what's in my heart

[Jennifer Lopez]  
Think you gotta keep me iced, you don't  
Think I'm gonna spend your cash, I won't  
Even if you were broke  
My love don't cost a thing  
Think I wanna drive your Benz, I don't  
If I wanna floss, I got my own  
Even if you were broke  
My love don't cost a thing
